INVESTING IN YOUR FUTURE

**OP Research and
Development for Innovation**

What is the question?

- Excellence in what area?
- Who is being asked for advice?
- National ecosystem

Biological Research

- Level of MSCA funding. Is it adequate?
- The successful applicants, do you know what they have to score?
- In the 90's, approximately 94%
- Local schemes for candidates in EU13 countries for applicants that score greater than 75%.
- What happens to the candidates from the EU15 countries that are unsuccessful?

Widening requires a focus on attracting better candidates for postdoctoral positions

- Huge problem with recruitment.
- Funnel talent from MSCA to the EU 13 countries?

Recommendations for EU 13 countries

- Restructure National Funding.
- National Boards have to be made up of > greater 50% foreigners.
- Ireland and SFI.

**Thank you for your
attention**
